

LIBRARY PRIVILEGES FOR  
COUNTY HIGH SCHOOL STUDENTS

Mercer County Community College Library resources shall be made available for use by Mercer County high school students for the purpose of research, subject to priority use by the College's own students and staff. Generally, material used by high school students will not circulate outside the Library, except when a request is supported in writing by the appropriate high school librarian. Upon submitting this request to circulation staff, materials may circulate for three weeks.
