

**DISTINGUISHED TEACHING AWARDS**

The Board appreciates that high quality instruction is the single most important factor contributing to the success of Mercer County Community College, and outstanding efforts by teaching faculty should be properly recognized.

The Board approved the awarding of a Distinguished Teaching Award to be presented annually to a member of the faculty recommended by the President after appropriate consultation with the College community.

The Distinguished Teaching Award shall consist of an appropriate award.

Approved: Board of Trustees  
November 15, 1979

Revised: February 15, 2007.
