Getting your RN to BS/MS: Transferring from Mercer County Community College to Rutgers College of Nursing

In today's healthcare arena, it is important to participate in lifelong learning. You have chosen to begin your nursing career at Mercer County Community College (MCCC). Your education can continue right after graduation by enrolling in Rutgers College of Nursing's RN to BS/MS Program. The RN to BS Program is online as is much of the MS program. The master's degree option offers a seamless approach to becoming an advanced practice nurse. With the master's degree option, selected graduate courses may be used to meet both baccalaureate and master's degree requirements. RN to BS students can earn up to 12 graduate credits to meet master's degree requirements. Both part- and full-time options are available.

Admission Requirements

The application for entry into the RN to BS/MS program can be found online at: <http://www.rutgers.edu/>

Submit the following items to the University Office of Admissions by the required application deadlines:

- A completed undergraduate application and nonrefundable application fee
- Official transcripts from ALL institutions of higher education attended and high school

Rutgers College of Nursing admits students once a year each fall semester.

Admission criteria are:

- A.S. degree from MCCC
- A cumulative GPA of 3.0 on a 4.0 scale of all previous coursework
- Current New Jersey RN license
- Grade of "C" or better in all transfer courses

Transferring Credits

After completing your A.S. in Nursing at MCCC, you may transfer the credits from your nursing and general education courses toward a BS in Nursing allowing you to complete your Rutgers' degree in two to three years depending upon the number of your transfer credits. You may also transfer up to 29 additional credits to

the College of Nursing, thereby reducing the amount of time required to complete the BS in Nursing degree. Your last 30 credits must be taken at Rutgers.

Needed Coursework at Rutgers

If you completed the required curriculum at MCCC, you will need to complete several additional general education, science/math, and nursing courses to complete your BS in Nursing.

General Education Courses

In addition to your A.S. in Nursing degree requirements, the following courses must be taken either at MCCC, if available, or at Rutgers (MCCC equivalent courses are in parentheses):

- Introduction to Sociology (SOC 101)
- History/Political Science/
Economics-6 credits
- Anthropology/Cultural Studies-3 credits
- Literature-3 credits
- General Electives-3 credits
- Humanities-3 credits
