

ARTICULATION AGREEMENT

**FOR
CRIMINAL JUSTICE**

BETWEEN

MERCER COUNTY COMMUNITY COLLEGE

AND

NEW JERSEY CITY UNIVERSITY

I. Purpose and Goals

- The purpose of this agreement is to outline the terms and conditions of the articulation agreement between the Mercer County Community College (MCCC) Associate in Science (A.S.) degree in Criminal Justice and the Bachelor of Science in Criminal Justice (B.S.) degree at New Jersey City University (NJCU). Through this Agreement, current students and graduates have an opportunity to complete a Bachelor of Science degree "seamlessly" at two institutions of higher learning. This agreement is specifically designed for students who are graduates of MCCC's Criminal Justice program as well as students completing MCCC's A.S. degree who are not participating in or eligible for the dual admissions program, a regular admit student. Under this agreement, students will enter into a sequential degree program wherein a Bachelor of Science in Criminal Justice degree at New Jersey City University is predicated upon conferral of an Associate in Science degree in Criminal Justice at Mercer Community College (See Section III for admission requirements). Students who subsequently complete their A.S. degree program and fulfill all criteria of this Articulation Agreement will enter NJCU as fully matriculated students with junior-year standing.

II. Benefits / Advantages of the Articulation Agreement.

- Creation of a four-year plan for completing the Bachelor of Science in Criminal Justice (B.S.) degree;
- Ability to earn both associate's and bachelor's degrees while maximizing transferability of credits;
- A guarantee that students who meet the stated criteria will have a reserved place in the Criminal Justice program at NJCU, and
- Access to NJCU financial aid counselors to facilitate early financial planning and estimates of financial aid and scholarships.

III. Requirements for Admission to NJCU under the Articulation Agreement

Admission to NJCU is contingent upon a student's:

- Successful completion of the MCCC Criminal Justice program;
- Attainment of a grade point average of 2.0 or higher at MCCC;
- Completion of an NJCU undergraduate admissions application;
- Submission of official transcripts from MCCC, all previously attended colleges or college credit earning institutions and/or a WES evaluation; and
- Meeting the general admission criteria of NJCU.

IV. Articulation Agreement Process and Procedures

- Upon completion of the MCCC degree in Criminal Justice or anytime thereafter, graduates (present and past) can apply to NJCU and will receive a maximum of 60 credits, if accepted.
- Once accepted into NJCU's Criminal Justice program, students will schedule an advisement appointment with an NJCU faculty member. Students must successfully complete 120 college credits in order to receive the B.S. in Criminal Justice. Students can complete the remaining 60 credits required for the B.S. in Criminal Justice degree as part- or full-time students. A minimum of 39 credits in Criminal Justice must be taken in residency at NJCU.

- Representatives of NJCU will meet with MCCC students and graduates at MCCC at least annually, or as needed. The purpose of these meetings is to provide information about NJCU's Criminal Justice program, available services and answer student questions.

V. Time Limit

- MCCC students will follow NJCU's undergraduate Criminal Justice curriculum requirements in place at NJCU at the time of initial enrollment in a Criminal Justice course at NJCU.

VI. Transferability of Credits

- Students entering NJCU with an A.S. degree from MCCC under this articulation agreement will receive credit for all NJCU general studies requirements. NJCU will accept a maximum of 60 credits when the student enters the University with an A.S. degree (Criminal Justice Curriculum 60 Credits).
- Students entering the Criminal Justice program through this articulation agreement may not transfer into another NJCU major without a re-evaluation of his or her original transcript(s). This evaluation will be completed based on existing policy applied to all non-criminal justice, A.S. or A.A. transfer students.
- A maximum of 60 credits may be applied to NJCU degree requirements, assuming a minimum grade point average of 2.0.

VII. Bachelor of Science in Criminal Justice Curriculum Requirements

- Attachment A, entitled, "Associate in Criminal Justice to Bachelor of Science in Criminal Justice."
- Attachment B, entitled: "Bachelor of Science in Criminal Justice Program - Course Requirements"

VIII. Institutional Responsibilities

- MCCC and NJCU will work collaboratively to support and effectively administer this articulation agreement in the best interest of the students.
- MCCC and NJCU will regularly communicate regarding changes in program requirements and any other relevant issues and/ or concerns.
- MCCC and NJCU agree to promote the articulation agreement in appropriate college publications and at recruitment and outreach activities.
- MCCC agrees to distribute information provided by NJCU to its students and alumni regarding the Bachelor of Science in Criminal Justice.

IX. Agreement Review

- NJCU and MCCC will notify one another of curricular changes upon institutional approval. The Articulation Agreement shall be reviewed and modified, as needed, every three years by officials at NJCU and MCCC.
- This agreement represents the entire agreement between NJCU and MCCC through their authorized agents and will be deemed fully executed on the date of the last signature. All negotiations, oral agreements, and understandings are merged herein and any change(s) in the terms must be made in writing and signed by all parties.
