The L.E.A.D. Program is offered to current students who are enrolled in a credit course at Mercer County Community College.

This program is designed for students who want to develop their skills in communication, work within a team, create change in their community and demonstrate their leadership qualities among the student body while promoting effectual positive change in society. Leadership Education and Development (L.E.A.D.) gives students the opportunity to nurture personal growth through character development by engaging in events throughout the semester. Students will develop skills that will serve them as L.E.A.D.er's in any environment.

Engagement in the L.E.A.D. Program not only enhances your life at school but it also benefits the members of your community by becoming a positive role model to look up to. Become a L.E.A.D.er today!

“A boss creates fear; a leader-confidence. A boss fixes blame, a leader corrects mistakes. A boss knows all, a leader asks questions. A boss makes work drudgery, a leader makes it interesting. A boss is interested in him or herself, a leader is interested in the group.” — Russell H. Ewing
