Initiated TAG 9-1-19

9-12-19 Jen Cook and Drue Stapleton, on their own, had a meeting with Mercer/Exercise Science to discuss and agreement.

9-17-19 Jen asked if we could move this agreement forward asap.

9-18-19 The articulation focus now is on Bucks and Camden agreements as we have signings set-up and that is the **priority**. Pulled the course descriptions and completed the TAG and will sent over to Paul for Chair approval.

10-09-19 – Paul Jivoff reviewed and sent back many edits. This program does not articulate that well. Have other priorities for agreements already in queue, this will need to be pushed back.

2-26-20 Sent out an email to all involved to update the status on this agreement.

3-2-20 BG updated the TAG with Paul Jivoff’s edits – significant amount of edits. All changes in BLUE and Major Problems in RED.

4-2-20 Group meeting from Mercer & Rider to work through this agreement. All entries discussed in RED and BLUE are the new updates. Sending to CLAS, Terri Marriott first and then out to Laurene and faculty at Rider and Mercer for re-review with updates.

4-2-20 Terri Marriott reviewed for CLAS. Sent the TAG back to everyone for review and edits where needed.

4-6-20 Meeting with Laurene on review of entire TAG.

4-20-20 BG made updates – Mercer in blue and Rider in Red and sent updated TAG to all involved for review and feedback to see if we can move forward or if approvals are needed?

5-5-20 Mercer dean approved, Paul and Drue are on board with these changes. This is final draft. Sending back to Paul and Drue for last look before signing!!

5-4-20 Per PJ & DS made the changes to HSC-302L. Sent back for final look.

Mercer graduates should be nationally certified in Exercise Science and possess current registration with the National Strength & Conditioning Association's Certified Personal Trainer (NSCA-CPT) Exam. This certification also incorporates certification for First-Aid Cardio-Pulmonary Resuscitation (CPR) for the Professional, and Automated External Defibrillator (AED).

Please note Rider only requires one math course for the B.S. in Allied Health Studies (CCS).

The Rider degree is 120 credits; the Mercer student may have to take additional credits to meet the Rider University degree.

Requirements are subject to change. This Advising Guide is best used in consultation with an advisor.
