

STANDARDS FOR DEAN'S HONOR LIST

Outstanding scholarship achievement merits inclusion in the Dean's Honor List.

ELIGIBILITY

Full time students have the opportunity to qualify each year. Part-time matriculated students are assessed at the end of each academic year if they have earned at least twelve (12) credits in that year (summer, fall and spring), or if they have earned less than twelve (12) credits in that year but have earned at least twelve (12) in the most recent two-year period.

CRITERIA

Dean's Honor List citations are noted on the transcripts of all eligible students who have earned a 3.20 grade point average or better during the applicable year(s).
