

Student Life & Leadership Campus Clubs and Organizations

Student clubs and organizations are a great way to make new connections, learn more about your field of study or find a new hobby. We have compiled this list of our currently active clubs. There are times when certain clubs are inactive due to a lack of advisor, members, etc. However, all inactive clubs can be reactivated through the Student Life and Leadership office. Additionally, students can start clubs if they do not see one that piques their interest. *Contact club advisors for more information on joining a particular club.*

Contact Jeannette Clugsten, Coordinator of Clubs and Organizations at clugstej@mccc.edu for general club information.

Active Clubs 2023-2024

American Society of Highway Engineers

For the members and partners of the highway industry by encouraging safe, efficient and educational experiences in the community. **Instagram: @ashe_mccc**
