

Mercer Baseball

The Mercer County Community College Vikings Baseball Program has a long tradition of excellence in student- athlete development.

Coming off their NJCAA National Runner up the Vikes continued their winning ways with their 3rd straight Regional Championship. This was the Vikes 4th Regional Championship in last 5 seasons. Once again the Vikes were ranked in the top 5 Nationally for the 6th straight season!

More importantly the Vikings sent numerous players to 4 years schools and professional careers!

Over the years the Vikings Baseball family has grown extensively, we hope this golf outing will not only serve as fundraiser for our current and future players but as an opportunity to bridge the gap between our past and future baseball families!
