

Mercer Baseball

The Mercer County Community College Vikings Baseball Program has a long tradition of excellence in student- athlete development.

Last season the Vikings finished with a record of 48-14, finished 2nd in nation as national runners up and won several championship banners along their road to the Division II College World Series in Enid, Oklahoma!

More importantly the Vikings sent numerous players to 4 years schools and professional careers!

Over the years the Vikings Baseball family has grown extensively, we hope this golf outing will not only serve as fundraiser for our current and future players but as an opportunity to bridge the gap between our past and future baseball families!
