

Other Summer Youth Programs at Mercer County Community College

Sports Camps Ages 6-17

Mercer County Community College will once again offer its annual summer sports camps. Experienced staff, highly successful college coaches and limited enrollment ensure maximum individualized instruction.

Each camp has its own policies and procedures. Begins June 21.

Tomato Patch Workshops – Grades 5-12

An intensive visual and performing arts summer workshop, Tomato Patch is the longest running, most successful summer arts program in Central N.J. Designed for children entering grades five through twelve who have an interest in theater, dance, music or visual art, Tomato Patchers select a “major area of interest” in performing or visual arts which they may pursue in the morning. During the remainder of the day, they enroll in courses to expand their awareness and skills in other disciplines.

Session I: June 28 to July 22 for students entering grades 8-12, and Session II:

July 26 to August 12 for students entering grades 5-7. **For more information,**

Summer College For High School Students

A unique opportunity for students who have completed at least one year of high school to “try” college in the supportive environment for which Mercer has become known. Under the guidance and supervision of Mercer staff, qualified students will be able to earn from three to seven college credits this summer. **For more information call (609) 570-3225 or visit our website www.mccc.edu**

Mercer County Performing Arts High School

Come Experience The “Fame”...

Be a part of a unique experience! Whether you are already a Performing Arts High School student, have been accepted to the school, are thinking about applying, or are simply interested in the performing arts, you won't want to miss this unusual program. Students entering grades 7-9 will attend daily sessions that integrate multiple experiences in dance, drama, and vocal music. No experience is necessary. **For more information call (609) 570-3400.**

SMILE, GEAR UP, and Community of Learners are open to students who attend targeted secondary schools in the Trenton Public School District, for grades 7-12, to prepare them for success in high school and college. Students make a 12-month commitment to the program that includes educationally enriching activities and field trips. Services are free. **For more information, call (609) 570-3158.**

Upward Bound is offered to educationally and economically disadvantaged Trenton students who have the desire and potential to succeed in college. Students receive academic instruction in college preparation and college level courses, after-school tutoring, and preparation for the SAT. College visits and educational field trips are included. Services are free. **For more information, call (609) 570-3155.**
