

Mercer County Community College 2018 Short-term, Faculty-led, Study Abroad program proposal

If you are a MCCC faculty and have considered designing or leading a faculty-led study abroad program, the GO! Center is now accepting proposals for 2018 programs. All proposals received by April 14th, 2017 will be considered. Complete the following questions and submit this proposal to the GO! Center (LA119) or email it to studyabroad@mccc.edu by **April 14th**. If you have questions, you can email or call the GO! Center at ext. 3660. The travel arrangements will be made during the summer and you may need to be available to review and finalize the details. Marketing for these programs will begin in September 2017.
