

MCCC in credit pact with university

WEST WINDSOR — Mercer County Community College has signed a new transfer agreement that ensures that Mercer graduates can transfer to Philadelphia University's Accelerated Bachelor of Science Degree Completion Program, Evening Studies, with third-year status.

Classes meet evenings and occasional Saturdays in this accelerated Philadelphia University program. Students who have completed any associate degree at MCCC are eligible, as long as they have taken certain specified courses.

Philadelphia University's Evening B.S. Program offers nine majors: behavioral and health services, health sciences, health services management, human resource management, information technology, law enforcement leadership, leadership in emergency services, organizational leadership and pre-MBA.

An extra incentive for MCCC graduates is Philadelphia University's Accelerated Scholars Scholarship Program, which awards scholarships equaling 25 percent per credit to MCCC students who graduate with a grade point average of 3.5-4.0 and 20 percent per credit to MCCC students who graduate with a GPA of 3.0-3.49. In order to qualify for these scholarships, students must earn their associate degree and must enroll within three years of graduation from MCCC. They also must maintain a GPA of at least a 3.0 while enrolled at Philadelphia University.
