New Jersey's 19 Community Colleges get Straight A's:

- “A” for Available - for a college education or great job training.
- “A” for Accessible - with 19 colleges, there's one near you.
- “A” for Affordable - save money on tuition.

Yet state funding per student has dropped 13 percent over the last four years.

Visit **www.SupportCommunityColleges.com** and tell your state legislators to make sure New Jersey's Community Colleges stay Available, Accessible, and Affordable.
