

UPDATE ON PRINCETON HOSPITAL REQUIREMENTS FOR NRS 121

UMCP has changed the way they manage their requirements. In the past students and faculty had to complete all the required paperwork prior to arriving at the clinical site.

As of Fall 2013 the following changes have occurred:

1. **Students attending clinical experience at the UMCP: Plainsboro Princeton Hospital Campus :**
 - a. Attend an **orientation** provided by the Education Department on the first day of clinical at UMCP, meeting your instructor at the Medical Arts Building entering the building and waiting by the water feature for your instructor to guide you to the **Computer Education Center** which is in the middle of the Education Building, in the back of the UMCP campus
 - b. **The Orientation** will consist of the following:
 - i. take a required computer education course
 - ii. complete required documentation provided by the Education Department, you do not have to bring anything except pencil and paper
 - iii. get your car authorization tag
 - iv. get your identification badge
 - v. have a tour of your unit
 - vi. do a scavenger hunt
