Dear Ms. Penn:

My name is Nikhila Manchikanti, and I am the Membership/Nominations Director of New Jersey Nursing Students, Inc. (NJNS). We are a pre-professional organization representing nursing students from around the state of New Jersey, including those at Mercer County Community College. In tandem with our parent organization, the National Student Nurses' Association (NSNA), we provide students with a variety of supportive and educational resources. Our main event of the year is our annual convention, which will take place on **March 3rd-4th**, 2016, at Bally's in Atlantic City.

Please visit <http://www.njnsinc.org/convention-20161.html> to access the following forms, and learn about the many ways you and your students can get involved at our convention. Please refer to each respective application for more specific details:

- **Student Registration Form** – For general student admission.
- **Delegate Application** – For students who wish to represent their school in the House of Delegates. Delegates receive free registration.
- **Monitor Registration Form** – For students who wish to assist the board of directors during convention. Monitors receive free registration and hotel stay.
- **Executive Board Application** – Students may run for office on the NJNS board of directors.
- **Faculty Registration and Luncheon Form** – Deans and Faculty are invited to join us for a luncheon on Thursday March 4th.
- **Scholarship Application** – Make sure to inform your students of this excellent opportunity!
- **Impact Award Application** – Students may nominate an individual who has impacted their nursing education to receive this prestigious award.
- **Speaker Form** – For faculty who may be interested in presenting an educational session.
- **Exhibitor Form** – An opportunity to represent your school in our huge exhibit hall and reach a large audience of potential students.
- **Convention Sponsorship Form** – Support our organization with a tax-deductible donation.
- **Advertisement Form** – Promote your school in our convention program book.

I hope to see you and many Mercer County Community College students at our convention. I thank you in advance for making it possible for your students to benefit from this valuable educational and networking experience, and look forward to collaborating with you to positively shape the future of the nursing profession. If I may be of any assistance, please do not hesitate to contact me via email at nikhila.manchikanti@hotmail.com or by phone at 732-423-5501.

Sincerely,

Nikhila Manchikanti
