

TUTORING FOR SUCCESS FLYER

By: **Sue Minkel, RN, BSN, MA in Nursing Education**
Retired Associate Professor of Nursing
Nursing Program Tutor/NCLEX Tutor/Nursing Success Coach
sueminkel@comcast.net
C: 215-962-4996

WHO SHOULD ATTEND? Answer these questions.

- *Are you not getting the grades you expect?*
- *Have you been unsuccessful in a course?*
- *Are you having difficulty managing the large amount of reading material and multiple textbooks?*
- *Are you having difficulty answering NCLEX style questions?*
- *Are you able to narrow the answers down to two options and then chose the incorrect answer*
- *Are you changing your answers to the wrong answer?*
- *Do you have test taking anxiety?*
- *Do you know how to use the HESI remediation packets?*
- *Do you know how to use the Silvestri NCLEX book to help you?*

GOALS:

1. To assist students of all levels in the nursing program to learn key strategies useful when reading NCLEX test questions in a safe friendly environment
2. To provide effective study strategies to assist students to narrow down large volumes of reading materials, lectures, notes

WHERE: MS 215

WHEN: Tuesdays from 1-5PM

Live sessions, EXCEPT THE FOLLOWING – no tutoring on February 21 and March 14. Tutoring ends for spring semester after May 2, 2017

STRUCTURE:

- Attend whatever part of the time you are available
- UPON ARRIVAL sign in AND turn in the sheet you need to fill out each session
- Identify YOURSELF and your needs
- Participate in discussion of study strategies, and reading of test questions
- Complete a summary form identifying what you have learned
- Please TURN OFF YOUR CELL PHONES, PUT IN YOUR PURSE OR BACKPACK

REQUIREMENTS BY EMAIL:

1. **Please email or text me 24 hours** prior to attendance so I am able to bring adequate numbers of handouts.
2. **I WILL NOT HOLD THE SESSION** if no students request tutoring
3. **IDENTIFY** your name, cell phone #, course number, coordinator, why you need tutoring, if you have failed a course and which one
4. **IDENTIFY** if you need to attend as a requirement for readmission
