# II. PRESIDENT'S UPDATE

Dr. Preston announced that the governor of New Jersey released next year's budget and has recommended a \$20 million cut to community colleges, which puts funding back to 2023. The budget cut is a \$500,000 impact to MCCC. Last year the governor recommended a flat budget and the community colleges advocated with legislators to have \$20 million added and were successful. Dr. Preston will be on NJ12 at 8pm (on February 28, 2024) to express how disappointed and concerned about how the college will serve its students without adequate support. The NJCCC will begin campaigns with legislative official and hearings.

Marvin Carter, Director of Diversity, Equity and Inclusion provided a brief overview of the *Bridge* to Completion program. MCCC received a \$150,000 grant from the *Some College No Degree* program through office of higher education to hire staff, provide academic support and professional development. Dr. Nespoli shared current New Jersey and federal updates:

- New Jersey Statehouse Update Governor Murphy will deliver his proposed FY2025 state budget on February 27th. We will know more about state funding for community colleges at that time.
- Federal Update Dr. Nespoli shared observations from the National Community College Legislative Summit on Feb 4-7 in Washington, DC where federal community college priorities were shared and meetings with the NJ Congressional Delegation occurred to advocate for those priorities. Dr. Nespoli gave a special shout out to MCCC student Elijah Parkman-William who represented the college extraordinarily well in his comments during meetings with Congresswoman Bonnie Watson-Coleman and in Congressman Andy Kim's office as well. Dr. Nespoli added that expanding the federal Pell grant program to include short-term training programs is a top priority. Currently, students are eligible for Pell grants only if their programs are at least 600 contacts hours over at least 15 weeks. Bi-partisan legislation has been introduced (and a vote has been scheduled) in the House of Representatives to expand the Pell program to include students enrolled in programs of 150-600 contact hours the equivalent of 10 to 40 credits) that can be completed in 8-15 weeks. We will be closely tracking progress on this important new legislation.

### **Notable incidents: (non-Clery)**

**Theft of desktop computer: Jan 8, 2024 @ 10:30am:** The IT department discovered a missing Apple desktop computer from ES120. Investigation identified a suspect (former student) and the person of interest was recorded swiping into the UC parking lot and on several CCTV recordings. Investigation turned over to West Windsor Police, we are awaiting their findings to determine if charges will be filed. Our case # 2024-1-11-00100

Student Code of Conduct violation (Joyriding): Jan 17, 2024 @ 2:55pm: A student helped themselves to an unattended golf cart that was assigned to the Facilities Department. The student was stopped and the golf cart returned unharmed. A Student Code of Conduct violation was issued and the student meet with Widmarc Dulce, Todd Sparks and myself and was explained the potential civil and criminal implications of this conduct. The student took full accountability for the transgression and all MCCC parties were satisfied that this was an isolated incident and a significant lapse in judgement by the student. No other penalties were assessed upon him.

**Trespassing: Jan 19 @ 1:30 pm**: As College Safety officers were securing the campus due to an early dismissal due to snow, an individual who is experiencing homelessness; was found in the PE building. He left the building but then refused to leave campus requiring the calling of the West Windsor Police Dept. A conversation with the Director of College Safety was productive and the person signed up for the Fitness Center and was instructed to use the facilities accordingly. No further issues with this individual to date.
