

MCCC STUDENTS

Are you interested in helping make DREAMS come true?

- *Are you a caring, reliable person who is a good listener?*
- *Are you looking for a great way to jump-start your career and build your resume?*
- *Would you like to make a difference in someone's life?*

Then become a peer mentor for college students with intellectual disabilities who are enrolled in the Mercer County Community College's DREAM program (Developing Real Expectations for Achieving Mastery).

As a peer mentor you will:

- Help students adjust to college life by assisting them in their academic and social development
- Receive training and support by professional staff throughout the semester
- Develop your leadership and interpersonal skills
- Schedule your mentoring hours based on your own schedule
- Receive a salary and enhance your resume with career-related experience

Visit our website at: http://www.mccc.edu/student_services_needs_dream.shtml

NOW HIRING FOR SPRING 2102 SEMESTER.
Training will be held in early January.
