# Engineering & Architecture Open House

Would you like to learn about high-paying, in-demand jobs in engineering and architecture? If so, please join us for our Engineering & Architecture Open House.

Date: Saturday, February 22, 2014
Time: Noon-3pm
Location: Mercer County Community College
West Windsor Campus, Room CM 108.

Come learn about employment opportunities, salaries, training, transfer opportunities, and scholarships. Licensed Professional Engineers, Registered Architects and college professors will be on hand to answer your questions and take you on a tour of the labs and college.

To RSVP or for more information, contact Professor James Maccariella, P.E. at **maccarij@mccc.edu** or call 609-570-3462.
