**FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS APPEAL (SAP) AGREEMENT FORM 2017-2018**

Federal regulations require that all students receiving financial aid must make satisfactory academic progress (SAP) toward their course of study. **Unfortunately, you are not meeting the minimum standards for SAP and have been placed on financial aid suspension.** Our evaluation is based on your entire academic record at Mercer (see college catalog under Financial Aid: General Eligibility Requirements). You have the right to appeal for reinstatement of eligibility. The appeal must provide evidence of extenuating circumstances.

**You may be required to complete either Step 1 and/or Step 2 below** and return this form along with accompanying documentation by the appeal submission deadline for that semester. Deadlines are listed in the SAP guidelines. Incomplete forms, or forms without the minimal documentation, **will not be reviewed.** (see the back of this agreement for examples of documentation) . You can see the status of your appeal in the "Documents" section of **Mercer's Online Financial Aid Office**. Your appeal will be in a "Not Reviewed" status when received. After the appeal is reviewed, the status will change: to either "Approved" or "Denied". Any questions please email the Financial Aid Office at [finaid@mccc.edu](mailto:finaid@mccc.edu) from your student email account.

**Step 1: Letter of Appeal**

Complete this Financial Aid Appeal form for reinstatement explaining in detail the reasons **why you were unable to successfully complete your courses or have attempted more than 150% of the published length of your educational/degree program.** If your appeal is due to your lack of academic progress in the past, it is important to explain your past circumstances. Refer to the SAP guidelines for details in constructing your letter.

**\*\*Appeals will NOT be heard in person.** You can submit your appeal to the Financial Aid Office on any campus, mail or fax your appeal. Be sure to attach a signed copy of this agreement to your appeal and keep a copy for your future reference.

**Step 2: Academic Plan**

If an Academic Plan is required, **it will be emailed to your student email account. It must be signed by an academic advisor, indicating: how many credits** you will take each academic term, when graduation is anticipated, and when it is anticipated that you will meet the SAP standards. If your appeal is approved, you will be expected to meet the enrollment goals set forth in your plan for each academic term, so be realistic when planning.

**Step 3: Award Decision**

Once the Financial Aid Office receives your plan, you will be awarded any financial aid that you are eligible for on a probationary basis.

**Step 4: Academic Plan Review**

At the end of the semester, the Financial Aid Office will determine if you are meeting the minimum standards for academic progress.

- 1) If you are meeting the minimum standards for academic progress you will no longer be considered on a probation status for financial aid.
- 2) If you are not meeting the minimum standards for academic progress, the Financial Aid Office will determine if you met the terms of your plan.
  - a) If you meet the terms of your plan, you will be eligible to continue on a probation status for financial aid.
  - b) If you have not met the terms of your plan, you will be ineligible for financial aid until you are meeting the minimum standards of satisfactory academic progress.
