FERPA (Family Educational Rights and Privacy Act)

- Grants rights for students to withhold disclosure of education records except for situations involving legitimate educational interest or as may be required by law.
- As a general rule, the following information can only be released to the student or to a college official:
  - Grades or GPA
  - Course enrollment or schedule
  - Student ID numbers
  - Social Security Numbers
  - Race/Ethnicity/Nationality
  - Religious Affiliation
### Attendance

- Students are expected to attend all classes of every course on their schedules and to be aware of each instructor’s attendance policy.
  - If an absence cannot be avoided, students should contact their instructor(s) for assignments. Prolonged absences due to illness, injury, or bereavement for an immediate family member should be reported to the office of the Executive Dean for Student Affairs.

### Academic Progress

- If a student does not pass or complete enough courses (or if grades are too low) the student will be placed on academic Warning, Probation, or Dismissal.
  - Warning limits a student to 13 credits or fewer.
  - Probation limits a student to 10 credits or fewer.
  - Dismissal requires the student take one full 14-week semester off, and that you develop an approved Individual Success Plan before returning.

### Academic Integrity

- A student will be guilty of violating ACADEMIC INTEGRITY if he/she (a) knowingly represents work of others as his/her own, (b) uses or obtains unauthorized assistance in the execution of any academic work, or (c) gives fraudulent assistance to another student.

Refund Policy effective SUMMER 2015

- Deadlines for course refund eligibility differ according to term length, as follows:

  - **14-week terms:**
    Full refunds are available for classes dropped within the first seven days of the associated term (NOT the class start date).

  - **Terms shorter than 14 weeks:**
    Full refunds are available for classes dropped within the first two days of the associated term (NOT the class start date).

A course dropped anytime after refund eligibility for that course ends will be processed as a withdrawal. No refund of tuition or fees will be made to a student who is withdrawn from a course by an instructor due to non-attendance or who is dismissed from the college for cause.
Time to complete a degree:

\[12 + 12 + 12 + 12 \neq 63\]

**Cost Savings:**

Tuition and fees add up quickly. If your student gets through courses on the first try and completes and AA or AS degree, you could potentially save close to $20,000 or more!

We ARE NOT a “2-year” school.

We ARE an Associate’s Degree granting institution.

- It often takes longer than two years (Part-time, W/F/D Grades, remedial coursework, taking fewer than 15 college-level credits per semester, changing majors, not seeking help with course selection)
- The average student takes 6 years to complete a Bachelor’s degree.
  (U.S. Department of Education, National Center for Education Statistics)

BUT, staying and completing the degree at MCCC is WORTH IT even if it takes longer!

- Dual Admissions – Guaranteed Transfer Admission
- LAMPITT – Transfer all credits as a package!
- Scholarships – Many only available to degree holders

Time management is a serious problem for many students. Students who do not do well are typically trying to juggle too much at once.

Hard to find a balance:
- School
- Work
- Family responsibilities
- Friends/Social
- Health/Exercise
- Sleep
STAY CONNECTED!

- Follow us on Social Media to know what is going on on campus!
- Help your student access their MyMercer Portal – includes student email, access to grades, transcripts, etc.
- Have your student download the MyMercer App for their phones and mobile devices!
  - This is especially important for Mac/Safari users!

Your student needs to learn how to handle life situations on their own. Within reason, allow them to make their own decisions and recover from mistakes.

First-Year College Students tend to resent parental interference. Be sure to confront them with sincere inquiries and maintain open lines of communication.

Communicate your trust in them and encourage them to seek out resources at MCCC.
