Transfer Opportunities

Mercer's **transfer programs** make it easy for you to move on to other colleges and universities. Hundreds of Mercer graduates transfer successfully each year to many highly regarded bachelor's degree-granting institutions.

Our **dual admissions agreements** with The College of New Jersey, Montclair State University, Rider University, Rutgers University, Penn State Abington, Saint Peter's College, Wilmington College, and New Jersey Institute of Technology and our **transfer agreements** are ideal for students wishing to earn a bachelor's degree. These agreements enable Mercer students to predict how their course credits will transfer.

MCCC's **special partnership** with Fairleigh Dickinson University makes it convenient for students to finish certain bachelor's or master's degrees on-site at Mercer. The college also supports local students pursuing certain University of Delaware bachelor's degrees via distance learning.

For those who are undecided about transferring, the college maintains resources and offers appointments to students to explore options at other colleges and universities. Mercer is just the beginning!

For more information about the transfer opportunities at Mercer, call Transfer Services at (609) 570-3397, visit www.mccc.edu, or email transfer@mccc.edu.

ENG—English

Course descriptions, prerequisites, corequisites >>>> www.mccc.edu/courses/ENG

Note: Initial selection of an English composition course is determined by a placement test. Call the Liberal Arts Division or the Academic Testing Center for details. English courses are sequential. Therefore, a student must satisfy the composition requirement - with a minimum grade of C in ENG102 - before taking literature (200 level) courses. Applicability of credits in courses below the 100 level toward degree requirements is limited.

Note: The English Department offers sections of English Composition I and II that are specifically designated for non-native speakers of the English language. For more information, contact Fran Davidson, (609) 570-3852.

ENG101/102 TVC: Students who register for TVC (distance learning) classes of ENG101 or ENG102 are required to write two essays, one at the beginning of the semester and one at the end, in the Academic Testing Center on the West Windsor campus. Further information about this requirement can be obtained by calling (609) 570-3308.

MAT—MathematicsCourse descriptions, prerequisites, corequisites >>>> www.mccc.edu/courses/MAT

Note: Initial selection of a mathematics course is determined by the results of a placement test. Contact the Liberal Arts Division or the Academic Testing Center for details. Applicability of credits in courses below the 100 level is limited. Students who have completed math courses at another college must present transcripts.

Mathematics Placement: Students not required to take pre-college review mathematics should take the Mathematics Course Placement Test to determine the appropriate level of math. A pre-test and authorization form may be obtained at the Liberal Arts Division office (LA 162) or from a counselor. The placement test is given in the Academic Testing Center, and the results are discussed and reviewed with a member of the mathematics faculty.

MLT—Medical Laboratory Technology

Course descriptions, prerequisites, corequisites >>>> www.mccc.edu/courses/MLT

Medical Laboratory Technology combines the challenges and rewards of medicine and laboratory science. This program integrates lecture and laboratory instruction with clinical experience in area hospitals. Excellent employment opportunities in hospitals, reference labs, pharmaceutical firms and public health settings.

This career is attractive to students who enjoy science and to adults who have a degree in science and are exploring new career options. For information and a program update, contact the MLT Coordinator at (609) 570-3387 or by e-mail, oreilly@mccc.edu.

A program information session open to the public will be held on Thursday, August 28, 2008 at 5 p.m. in MS116.

Medical Office Assistant

If you would like to handle office functions in a doctor's office, group medical practice, nursing care facility, hospital or clinic, this program may be for you. Mercer is offering this certificate program to meet the growing demand for specialized medical office support staff. Skilled, qualified people are needed to help in storage, retrieval, coding and processing of the medical information needed for efficient health care delivery and reimbursement. For complete certificate program information, please call Admissions at (609) 570-3795 or e-mail admiss@mccc.edu. *See specialty courses listed under Office Systems Technology.*

The Health Careers Center of the Mercer County Technical Schools also offers a Medical Assistant certificate program in conjunction with MCCC. This program includes a strong clinical component with internship experience. Students must be available to attend school daily for this one-year program which begins each year in late August. Students completing this program will receive the Medical Office Assistant certificate from the college as well as a diploma from the Health Careers Center. The Center also offers individual clinical modules for those unable to attend full-time. For information on this program, please contact Mrs. Virginia Clevenger at the Health Careers Center at (609) 587-7640.

NUR—NursingCourse descriptions, prerequisites, corequisites >>>> www.mccc.edu/courses/NURCourse descriptions, prerequisites, corequisites >>>> www.mccc.edu/courses/NSG

With starting salaries now above \$45,000 and a New Jersey shortfall of RNs, the nursing profession offers excellent career opportunities for qualified students. Be sure to ask about **scholarship** opportunities.

The **MCCC Nursing program** culminates in the A.S. degree and candidacy for licensure as a registered nurse (RN). Instruction combines clinical experience in area hospitals with on-campus lectures and lab classes. Full-time and part-time study are available, in either a daytime or evening/weekend option, and licensed practical nurses are eligible for advanced standing. For application materials and program information, contact the Admissions office at (609) 570-3795 or e-mail martinl@mccc.edu.

The college also conducts two other nursing programs, one in collaboration with **Capital Health System (CHS)** and the other in conjunction with **St. Francis Medical Center (SFMC)**. These programs culminate in a nursing diploma awarded by the hospital and the A.S. degree conferred by the college. For information about these cooperative programs, contact the college's Admissions Office or the director of the respective nursing program as follows: CHS 394-4050 or SFMC 599-5190.

Successful graduates are offered a full-time position with Public Service Electric and Gas Company.

For details, contact Professor Dominick DeFino at (609) 570-3456, or e-mail defino@mccc.edu.

Visual Arts

Art courses are as popular with the general public as with art majors. Students in all degree programs may take art courses as humanities electives. Professionals register to hone their skills. Working adults and retired people enroll for the sheer joy of expressing and developing their creative talents. Entry level courses in art history, ceramics/sculpture, computer graphics, drawing, design and photography require no prior training or experience.

The Virtual College

www.mccc.edu/programs_tvc

A growing number of students are taking distance learning courses through The Virtual College (TVC). Taking courses via Internet and television allows students to choose when and where they learn. However, success in an Internet or television course requires commitment, high motivation, and independence to complete assignments.

If you need structure, human interaction, easy results without hard work, or are uncomfortable on a PC, distance learning may not be for you.

If you have any questions, contact us at (609) 570-3389 or virtual.college@mccc.edu.

Taking an Internet Course (Web-Based)

To take an Internet course, you need access to a computer, MS Word-compatible software, and a connection to an Internet service provider (ISP). Internet courses require computer literacy, Internet access, and a web browser such as Internet Explorer, Firefox, or Netscape.

INTERNET COURSE ORIENTATION

*August 20, 2008 at 6 p.m. or August 23 at 10 a.m.
(September 27 at 10 a.m. for 10-week courses)*

IMPORTANT: You must attend this in-person orientation in CM110 on the West Windsor Campus, especially if this is your first time taking an Internet course.

Taking a Telecourse (Television-Based)

Mercer's cable station, Channel 26, schedules video segments for courses on TV. In addition, students may purchase course videos from Intelecom (www.intelecom.org or phone 626-796-7300) or through Mercer's college bookstore. Most tapes may also be borrowed overnight through the MCCC Library.

Channel 26 is only available to viewers in Mercer County. Subscribers in Trenton, Ewing, Hamilton, Lawrence, East Windsor, West Windsor, Princeton Borough, Princeton Township, Pennington, Hopewell Borough, and Hopewell Township can watch the MCCC Cable TV Network included as part of the basic program education access service of each cable system. Classes are not available to satellite or Verizon television subscribers.

The professors of the HPE 111 telecourses will distribute course materials at mandatory orientations to students who are registered by August 3, 2008. Students who register after the required orientations must see their instructors personally, ASAP, to receive the course materials. Further information can be found at www.mccc.edu/programs_tvc_tele.

TELECOURSE ORIENTATION

*August 20, 2008 at 6 p.m.

Placement Testing

WHO MUST TEST

Unless exempt, the following students are required to take a FREE placement test: full-time students (12 or more credits), part-time students who wish to enroll in a course that will result in the accumulation of 12 credits or more, and all persons who wish to enroll in English or mathematics courses. The test does not affect your admission to the college, but the results help to place you in the appropriate courses. The test is self-paced and takes approximately two hours.

EXEMPTIONS FROM TESTING

- A score of 500 or higher on the critical reading portion of the SAT test exempts you from the English portion of the placement test.
- A score of 500 or higher on the math portion of the SAT test exempts you from the math part of the placement test (and qualifies you for the college-level math placement test).
- An ACT score of 21 or higher.
- A degree from an accredited U.S. college or university (transcript evidence required).
- Evidence (college transcript) of college-level English or mathematics courses.
- Enrollment in ESL courses.

If you have documentation (i.e., SAT/ACT test scores and/or college transcripts) that will exempt you from the math and/or English sections of the placement test, call the Admissions office at (609) 570-3795.

If English is not your first language, call (609) 570-3244 to arrange for the English as a Second Language Test.

ARRANGEMENTS FOR TESTING

You can take the placement test *at any time* throughout the year.

Individualized testing is available through the Testing Centers of each campus. Please call (609) 570-3295 (WWC) or (609) 570-3151 (JJC) for details and arrangements.

Special accommodations for testing may be arranged through the Office of Special Services at (609) 570-3525.

Payment and Refund Policy

No later than the first day of the semester, students must drop any unpaid class(es). Thereafter, students are responsible for full payment for all classes that they have registered for. Students may apply for a full refund for a class through the first business day after the *initial meeting* of that class. There are no refunds other than full refunds, which are processed the 2nd and last Monday of each month in the form of a check mailed to the student. A course dropped anytime after refund eligibility for that course ends will be processed as a withdrawal, with no refund of tuition or fees.

Paying for Your Education

Community colleges charge the lowest tuition and fees of all higher education institutions. Mercer County Community College receives significant support from Mercer County and the State of New Jersey, but courses are not free. Students are required to pay for a portion of their education. To determine the cost of a course, consider tuition and college fees, special course fees, books and supplies.

Tuition and Fees

Tuition and college fees are calculated on a per-credit basis. The table on page 56 will help you determine how much you owe based upon the total number of credits you are taking and your residency. Besides regular tuition and college charges, some courses carry an additional fee. These are indicated in the Course Listings (pages 11-45).

Books and Supplies

Students must purchase their own books and supplies. The College Bookstore (see page 52 for hours and locations) sells all necessary items. Costs range from \$1 to more than \$150, with the average course costing \$100. Supplies can include inexpensive items such as pens or rulers, or very expensive items such as a camera for photography or certain art supplies.
