## Transfer Opportunities

Mercer's **transfer programs** make it easy for you to move on to other colleges and universities. Hundreds of Mercer graduates transfer successfully each year to many highly regarded bachelor's degree-granting institutions.

Our **dual admissions agreements** with The College of New Jersey, Montclair State University, Rider University, Rutgers University, La Salle University, Penn State Abington, Saint Peter's College, Wilmington University, and New Jersey Institute of Technology and our **transfer agreements** are ideal for students wishing to earn a bachelor's degree. These agreements enable Mercer students to predict how their course credits will transfer.

MCCC's **special partnerships** with Fairleigh Dickinson University, Felician College, Rutgers University, and William Paterson University make it convenient for students to finish certain bachelor's or master's degrees on-site at Mercer.

For those who are undecided about transferring, the college maintains resources and offers appointments and workshops to students to allow them to explore options at other colleges and universities. Mercer is just the beginning!

For more information about the transfer opportunities at Mercer, call Transfer Services at (609) 570-3397, visit [www.mccc.edu](http://www.mccc.edu), or email [transfer@mccc.edu](mailto:transfer@mccc.edu).

## COURSE SELECTION CHECKLIST

## ✓ Seek Advisement

**Current students** MUST consult their **assigned faculty advisor** within their academic division before proceeding with course selection.

**New students** should take advantage of **advisement services** at the office of Enrollment Services (West Windsor campus), Student Services (Trenton campus), and/or academic division offices.

## ✓ Review Course Descriptions

Brief descriptions and additional details for each MCCC credit course can be found...

- on the **college website** at [www.mccc.edu/courses](http://www.mccc.edu/courses) ("How to Read Class Listings," below, shows how course descriptions for specific disciplines may be accessed directly.)
- in the **college catalog**, beginning on page 134 of the 2014-2015 edition.

Contact the pertinent academic division (see page 3) if you have questions about any course.

## ✓ Satisfy Course Requirements

Most courses require that students be proficient in reading, writing and computation.

See page 41 for information about **placement testing**.

Some courses require specific prerequisites or corequisites.

- A **prerequisite** is a course that must be completed before a student is permitted to register for the more advanced course.
- A **corequisite** is a course that a student must take either prior to or while enrolled in the related course.

## ✓ Build Your Schedule

Refer to the **class listings** on pages 11-35 to build your course schedule for the Fall semester.

Please note: All listings are subject to change. Due to their popularity, some high-demand classes may already be filled. *Register early* for improved chances of course availability and best class selection.

Class locations will appear on your class schedule after you register.

## ✓ Register

Follow the **instructions on page 46**.

Note **key dates & deadlines** on page 44.

**Auditing a Class:** Students who wish to audit a course and not receive a grade must specify such intent no later than the second week of class.

<b>ENG—English</b> Course descriptions, prerequisites, corequisites > <a href="http://www.mccc.edu/courses/ENG">www.mccc.edu/courses/ENG</a>							
<b>Note:</b> Initial selection of an English composition course is determined by a placement test. Call the Liberal Arts Division or the Academic Testing Center for details. English courses are sequential. Therefore, a student must satisfy the composition requirement — with a minimum grade of C in ENG102 — before taking literature (200 level) courses. Applicability of credits in courses below the 100 level toward degree requirements is limited.							
<b>Note:</b> The English Department offers sections of English Composition I and II that are specifically designated for non-native speakers of the English language. For more information, contact Fran Davidson, (609) 570-3852.							
<b>ENG101/102 WEB:</b> Students who register for MercerOnline classes of ENG101 or ENG102 are required to write two essays, one at the beginning of the semester and one at the end, in the Academic Testing Center on the West Windsor campus. Further information about this requirement can be obtained by calling (609) 570-3308.

**Note:** Initial selection of a mathematics course is determined by the results of a placement test. Contact the Math, Science & Health Professions Division or the Academic Testing Center for details. Applicability of credits in courses below the 100 level is limited. Students who have completed math courses at another college must present transcripts.

Mathematics Placement: Students not required to take pre-college review mathematics should take the Mathematics Course Placement Test to determine the appropriate level of math. A pretest and authorization form may be obtained at the Math, Science & Health Professions Division office (MS 126) or from a counselor. The placement test is given in the Academic Testing Center, and the results are discussed and reviewed with a member of the mathematics faculty.

**MLT—Medical Laboratory Technology**Course descriptions, prerequisites, corequisites > [www.mccc.edu/courses/MLT](http://www.mccc.edu/courses/MLT)

Medical Laboratory Technology combines the challenges and rewards of medicine and laboratory science. This program integrates lecture and laboratory instruction with clinical experience in area hospitals.

Offering excellent employment opportunities in hospitals, reference labs, pharmaceutical firms and public health settings, an MLT career is attractive to students who enjoy science and to adults who have a degree in science and are exploring new career options.

For more information and a program update, visit [www.mccc.edu/mltp](http://www.mccc.edu/mltp) or contact the MLT coordinator at (609) 570-3387 or e-mail [provencj@mccc.edu](mailto:provencj@mccc.edu).

**Medical Office Assistant**

If you would like to handle office functions in a doctor's office, group medical practice, nursing care facility, hospital or clinic, this program may be for you. Mercer is offering this certificate program to meet the growing demand for specialized medical office support staff. Skilled, qualified people are needed to help in storage, retrieval, coding and processing of the medical information needed for efficient health care delivery and reimbursement. For complete certificate program information, please call Admissions at (609) 570-3795 or e-mail [admiss@mccc.edu](mailto:admiss@mccc.edu). See *specialty courses listed under Office Systems Technology*.

The Health Careers Center of the Mercer County Technical Schools also offers a Medical Assistant certificate program in conjunction with MCCC. This program includes a strong clinical component with internship experience. Students must be available to attend school daily for this one-year program which begins each year in late August. Students completing this program will receive the Medical Office Assistant certificate from the college as well as a diploma from the Health Careers Center. The Center also offers individual clinical modules for students unable to attend full-time. For information on this program, please contact Mrs. Virginia Clevenger at the Health Careers Center at (609) 587-7640.

## Placement Testing

A placement test measuring English and mathematics skills is a requirement in the MCCC admissions process to determine student eligibility for certain courses and programs. The exam does not affect admission to the college. Completed in approximately two and a half hours, the test includes a timed essay followed by untimed multiple choice questions. Prospective students are encouraged to thoroughly review the sample essays and practice questions found in the placement testing section of the MCCC website.

### EXEMPTIONS FROM TESTING

- 540 on the SAT critical reading exempts students from the English testing;
- 530 on the SAT mathematics exempts students from the basic math testing, but qualifies students for college-level math placement testing;
- 21 on Math ACT and 21 on Reading ACT exempts students from the English and basic math testing and qualifies students for the college-level math placement testing;
- A degree from an accredited U.S. college or university (transcript required);
- Evidence (college transcript) of college-level English or mathematics courses.

All documentation of scores and transcripts should be submitted to the Enrollment Services Office upon application to the college.

If English is not your first language, call 609-570-3438 to arrange for the English as a Second Language placement test.

### ARRANGEMENTS FOR TESTING

After completing a college admissions application and obtaining a MCCC student I.D. number, students may arrange to take the placement test by contacting the preferred testing location: the Academic Testing Center at the West Windsor Campus (609-570-3295 or e-mail [wwtesting@mccc.edu](mailto:wwtesting@mccc.edu)) or the Testing Center at the Trenton Campus (609-570-3151 or e-mail [jkctesting@mccc.edu](mailto:jkctesting@mccc.edu)).

### Payment and Refund Policies

Deadlines for refund eligibility and avoiding Late Registration fees: Please note the “Key Dates” specified at left.

A one-time \$35 Late Registration fee is charged beginning on the first day of each term.

Full refunds are available only for classes dropped before the first day of the associated term. Deadlines for partial refund eligibility differ according to term length, as follows:

- 15-week terms: 50% refunds are available for classes dropped within the *first seven days* of the associated term (NOT the *class* start date).
- Terms shorter than 15 weeks: 50% refunds are available for classes dropped within the *first two days* of the associated term (NOT the *class* start date).

A course dropped anytime after refund eligibility for that course ends will be processed as a withdrawal. No refund of tuition or fees will be made to a student who is withdrawn from a course by an instructor due to non-attendance or who is dismissed from the college for cause.

*Please be aware that dropped classes or withdrawals can cause adjustments to any financial aid awards, resulting in a balance being due to the college for tuition.*

# Paying for Your Education

Community colleges charge the lowest tuition and fees of all higher education institutions. Mercer County Community College receives significant support from Mercer County and the State of New Jersey, but courses are not free. Students are required to pay for a portion of their education. To determine the cost of a course, consider tuition and college fees, special course fees, books and supplies.

## Tuition and Fees

Tuition and college fees are calculated on a per-credit basis. The table on page 44 will help you determine how much you owe based upon the total number of credits you are taking and your residency. Besides regular tuition and college charges, some courses carry an additional fee.

## Books and Supplies

Students must purchase their own textbooks and supplies. The Mercer Bookstore (see page 41 for hours and locations, or order online at [www.mccc.bkstr.com](http://www.mccc.bkstr.com)) guarantees the availability of these for any course offered at MCCC. Costs range from \$5 to more than \$250, with the average course costing \$150. Acceptable methods of payment include cash, credit card, and financial aid (checks not accepted). Textbooks can also be rented; please see website for details.

## Monthly Payment Plan

You can pay by cash, check, money order, VISA, MasterCard, American Express or Discover. Payment can be made in person, by mail or at [www.mccc.edu](http://www.mccc.edu) if you use a credit card. To take advantage of this opportunity, senior citizens must register in person at either the West Windsor or Trenton campus and pay the applicable semester fees.
