A growing number of students are taking distance learning courses through MercerOnline. Taking courses via the Internet allows students to choose when and where they learn. MercerOnline offers convenience and flexibility to those with busy lives and unconventional schedules. Success in an online course requires commitment and high motivation to complete assignments.

Taking an Online Course (Web-Based)

To take an online course, you need access to a computer, Microsoft Word-compatible software, a web browser such as Google Chrome or Mozilla Firefox, and reliable access to the Internet. Students enrolled in online courses should be comfortable using a computer and navigating the Internet.

Taking a Blended Course (In-Person and Online)

Blended courses, involving both web technology and the traditional classroom, deliver the best of both worlds: on-campus instruction and distance learning wrapped into one course. “Face to face” meeting times are noted on your schedule.

Refer to pages 11-33 for MercerOnline offerings among all Fall 2018 course listings, identified as “WEB” for class type.

ENG—EnglishCourse descriptions, prerequisites, corequisites > www.mccc.edu/courses/ENG

Note: Initial selection of an English composition course is determined by a placement test. Call the Liberal Arts Division or the Academic Testing Center for details. English courses are sequential. Therefore, a student must satisfy the composition requirement — with a minimum grade of C in ENG102 — before taking literature (200 level) courses. Applicability of credits in courses below the 100 level toward degree requirements is limited.

Note: The English Department offers sections of English Composition I and II that are specifically designated for non-native speakers of the English language. For more information, contact Fran Davidson, (609) 570-3852.

ENG101/102 WEB: Students who register for MercerOnline classes of ENG101 or ENG102 are required to write two essays, one at the beginning of the semester and one at the end, in the Academic Testing Center on the West Windsor campus. Further information about this requirement can be obtained by calling (609) 570-3308.

Note: Initial selection of a mathematics course is determined by the results of a placement test. Contact the Business & STEM Division or the Academic Testing Center for details. Applicability of credits in courses below the 100 level is limited. Students who have completed math courses at another college must present transcripts.							
Mathematics Placement: Students not required to take pre-college review mathematics should take the Mathematics Course Placement Test to determine the appropriate level of math. A pretest and authorization form may be obtained at the Business & STEM Division office (BS 134) or from a counselor. The placement test is given in the Academic Testing Center, and the results are discussed and reviewed with a member of the mathematics faculty.

Art courses are as popular with the general public as with art majors. Students in all degree programs may take art courses as humanities electives. Professionals register to hone their skills. Working adults and retirees enroll for the sheer joy of expressing and developing their creative talents. Entry-level courses in art history, ceramics/sculpture, computer graphics, drawing, design and photography require no prior training or experience.

Placement Testing

A placement test measuring English and mathematics skills is a requirement in the MCCC admissions process to determine student eligibility for certain courses and programs. The exam does not affect admission to the college. Completed in approximately two and a half hours, the test includes a timed essay followed by untimed multiple choice questions. Prospective students are encouraged to thoroughly review the sample essays and practice questions found in the placement testing section of the MCCC website.

Who Should Test

- full- or part-time students who have not achieved an SAT score (taken prior to March 2016) of 540 in Critical Reading or 530 in Mathematics sections;
- full- or part-time students who have not achieved an SAT score (taken after March 2016) of 450 on Evidence Based Reading and Writing (EVW) or 500 in Math;
- full- or part-time students who have not achieved an ACT score of 21 on English or Math;
- full- or part-time students who have not achieved a PARCC Grade 11 English Language Arts (ELA) score of 4 or an Algebra II score of 4;
- returning students who have not tested for course placement in more than two years;
- non-matriculated students with 12 or more credits;
- transfer students who have not completed English and mathematics requirements;
- ESL students who need mathematics courses (partial testing in math only).

All documentation of scores and transcripts should be submitted to the Enrollment Services Office upon application to the college.

If English is not your first language, call 609-570-3284 to arrange for the English as a Second Language placement test.

Arrangements for Testing

After completing a college admissions application and obtaining a MCCC student I.D. number, students may arrange to take the placement test by contacting the preferred testing location: the Academic Testing Center at the West Windsor Campus (609-570-3295 or e-mail wwtesting@mccc.edu) or the Testing Center at the James Kerney Campus (609-570-3151 or e-mail jktesting@mccc.edu).

Transfer Opportunities

Mercer's **transfer programs** make it easy for you to move on to other colleges and universities. Hundreds of Mercer graduates transfer successfully each year to many highly regarded bachelor's degree-granting institutions.

Our **dual admissions agreements** with The College of New Jersey, Delaware Valley University, Fairleigh Dickinson University, Georgian Court University, James Madison University, La Salle University, Montclair State University, New Jersey Institute of Technology, Rider University, Rowan University, Rutgers University, William Paterson University, and Wilmington University and our **transfer agreements** are ideal for students wishing to earn a bachelor's degree. These agreements enable Mercer students to predict how their course credits will transfer.

MTCC's **special partnerships** with Fairleigh Dickinson University, Felician University, Rutgers University, William Paterson University, and New Jersey Institute of Technology make it convenient for students to finish certain bachelor's or master's degrees on-site at Mercer.

For those who are undecided about transferring, the college maintains resources and offers appointments and workshops to students to allow them to explore options at other colleges and universities. Mercer is just the beginning!

For more information about the transfer opportunities at Mercer, call Transfer Services at (609) 570-3397, visit www.mccc.edu, or email transfer@mccc.edu.

A one-time \$35 Late Registration fee is charged beginning on the first day of each term.

Deadlines for course refund eligibility differ according to term length, as follows:

- 14-week terms: Full refunds are available for classes dropped within the *first seven days* of the associated term (NOT the class start date).
- Terms shorter than 14 weeks: Full refunds are available for classes dropped within the *first two days* of the associated term (NOT the class start date).

A course dropped anytime after refund eligibility for that course ends will be processed as a withdrawal. No refund of tuition or fees will be made to a student who is withdrawn from a course by an instructor due to non-attendance or who is dismissed from the college for cause.

Please be aware that dropped classes or withdrawals can cause adjustments to any financial aid awards, resulting in a balance being due to the college for tuition.

Paying for Your Education

Community colleges charge the lowest tuition and fees of all higher education institutions. Mercer County Community College receives significant support from Mercer County and the State of New Jersey, but courses are not free. Students are required to pay for a portion of their education. To determine the cost of a course, consider tuition and college fees, special course fees, books and supplies.

Tuition and Fees

Tuition and college fees are calculated on a per-credit basis. The table on page 40 will help you determine how much you owe based upon the total number of credits you are taking and your residency. Besides regular tuition and college charges, some courses carry an additional fee.

Books and Supplies

Students must purchase their own course materials. The Mercer Bookstore (see page 37 for hours and locations, or order online at www.mcccshop.com) guarantees the availability of these for any course offered at MCCC. Acceptable methods of payment include cash, credit card, and financial aid (checks not accepted). Most textbooks can also be rented; please see website for details.

MERCER HONORS PROGRAM

an enriched college experience for highly motivated and intellectually curious students

The **Mercer Honors Program** is an enriched college experience for highly motivated and intellectually curious students with a commitment to cultivating complex understanding and innovation in their academic work. It features smaller discussion-based seminar classes and creative laboratory experiences.

The program is not a separate college track or major. Students matriculate into an MCCC degree program and take one or more honors courses each semester toward fulfillment of their general education and program requirements.

Students have access to a range of honors courses in biology, business and technology, chemistry, composition, humanities, mathematics, and social sciences.

The distinction of honors coursework shows clearly on transcripts, and students who take honors classes are exceptionally well-prepared for transfer to four-year colleges and universities.

For more information about the program, student qualifications, and how to apply visit www.mccc.edu/honors or email Dr. Bettina Caluori, Director of Mercer Honors Program, at caluorib@mccc.edu.
