Computer Courses, Spring 2019

MercerOnline
Mercer County Community College
www.mccc.edu/MercerOnline

A growing number of students are taking distance learning courses through MercerOnline. Taking courses via the Internet allows students to choose when and where they learn. MercerOnline offers convenience and flexibility to those with busy lives and unconventional schedules. Success in an online course requires commitment and high motivation to complete assignments.

Taking an Online Course (Web-Based)

To take an online course, you need access to a computer, Microsoft Word-compatible software, a web browser such as Google Chrome or Mozilla Firefox, and reliable access to the Internet. Students enrolled in online courses should be comfortable using a computer and navigating the Internet.

Blended courses, involving both web technology and the traditional classroom, deliver the best of both worlds: on-campus instruction and distance learning wrapped into one course. "Face to face" meeting times are noted on your schedule.

Refer to pages 6-7 and 15-36 for MercerOnline offerings among all Winter Session and Spring 2019 course listings, identified as "WEB" for class type.

Transfer Opportunities

Mercer's **transfer programs** make it easy for you to move on to other colleges and universities. Hundreds of Mercer graduates transfer successfully each year to many highly regarded bachelor's degree-granting institutions.

Our **dual admissions agreements** with The College of New Jersey, Delaware Valley University, Fairleigh Dickinson University, Georgian Court University, James Madison University, La Salle University, Montclair State University, New Jersey Institute of Technology, Rider University, Rowan University, Rutgers University, William Paterson University, and Wilmington University and our **transfer agreements** are ideal for students wishing to earn a bachelor's degree. These agreements enable Mercer students to predict how their course credits will transfer.

MCCC's **special partnerships** with Fairleigh Dickinson University, Felician University, Rutgers University, William Paterson University, and Wilmington University make it convenient for students to finish certain bachelor's or master's degrees on-site at Mercer.

For those who are undecided about transferring, the college maintains resources and offers appointments and workshops to students to allow them to explore options at other colleges and universities. Mercer is just the beginning!

For more information about the transfer opportunities at Mercer, call Transfer Services at (609) 570-3397, visit www.mccc.edu, or email transfer@mccc.edu.

ENG—English
Course descriptions, prerequisites, corequisites > www.mccc.edu/courses/ENG

Note: Initial selection of an English composition course is determined by a placement test. Call the Liberal Arts Division or the Academic Testing Center for details. English courses are sequential. Therefore, a student must satisfy the composition requirement — with a minimum grade of C in ENG102 — before taking literature (200 level) courses. Applicability of credits in courses below the 100 level toward degree requirements is limited.

Note: The English Department offers sections of English Composition I and II that are specifically designated for non-native speakers of the English language. For more information, contact Fran Davidson, (609) 570-3852.

ENG101/102 WEB: Students who register for MercerOnline classes of ENG101 or ENG102 are required to write two essays, one at the beginning of the semester and one at the end, in the Academic Testing Center on the West Windsor campus. Further information about this requirement can be obtained by calling (609) 570-3308.

MAT—Mathematics
Course descriptions, prerequisites, corequisites > www.mccc.edu/courses/**MAT**

Note: Initial selection of a mathematics course is determined by the results of a placement test. Contact the Business & STEM Division or the Academic Testing Center for details. Applicability of credits in courses below the 100 level is limited. Students who have completed math courses at another college must present transcripts.

Mathematics Placement: Students not required to take pre-college review mathematics should take the Mathematics Course Placement Test to determine the appropriate level of math. A pretest and authorization form may be obtained at the Business & STEM Division office (BS 134) or from a counselor. The placement test is given in the Academic Testing Center, and the results are discussed and reviewed with a member of the mathematics faculty.

Course descriptions, prerequisites, corequisites > www.mccc.edu/courses/MLT

Medical Laboratory Technology combines the challenges and rewards of medicine and laboratory science. This program integrates lecture and laboratory instruction with clinical experience in area hospitals.

Offering excellent employment opportunities in hospitals, reference labs, pharmaceutical firms and public health settings, an MLT career is attractive to students who enjoy science and to adults who have a degree in science and are exploring new career options.

For more information and a program update, visit www.mccc.edu/mltp or contact the MLT coordinator at (609) 570-3387 or e-mail shavel@mccc.edu.

MOA—Medical Office Assistant
Course descriptions, prerequisites, corequisites > www.mccc.edu/courses/MOA

High school and college graduates seeking to immediately enter the healthcare field find the Certificate of Proficiency in Medical Office Assistant, a two-semester (or less) program, a practical option. Students can begin in the Fall or Spring, and approved previously earned credits may count toward up to half of certificate credits. The Health Science A.A.S. degree can be attained in only two semesters (or less) following certificate completion, and more than half of certificate credits can count toward most Health Professions associate degrees at Mercer. Paid internships may be available exclusively for Medical Office Assistant majors. Depending on the healthcare employer, tuition toward future education may be reimbursed. Visit www.mccc.edu/moa for more details.

Visual Arts									

Art courses are as popular with the general public as with art majors. Students in all degree programs may take art courses as humanities electives. Professionals register to hone their skills. Working adults and retirees enroll for the sheer joy of expressing and developing their creative talents. Entry-level courses in art history, ceramics/sculpture, computer graphics, drawing, design and photography require no prior training or experience.

The James Kerney Campus of Mercer County Community College, a modernized educational facility serving as the educational hub for downtown Trenton, encompasses James Kerney Hall, Trenton Hall, and the Career Center. Trenton Hall houses a fashion design sewing laboratory, art and design studio, Mac PC design laboratory, a cybersecurity lab, Allied Health lab, and a security systems technology lab.

The campus features state-of-the-art biology and chemistry laboratories, five high-tech computer labs, a pre-nursing and healthcare suite, seminar rooms, a multipurpose community room, and Student Commons. Payment and Refund Policies

Deadlines for refund eligibility and avoiding Late Registration fees: Please note the "Key Dates" specified at left.

A one-time $35 Late Registration fee is charged beginning on the first day of each term.

Deadlines for course refund eligibility differ according to term length, as follows:

• 14-week terms: Full refunds are available for classes dropped within the *first seven days* of the associated term (NOT the *class* start date).

• Terms shorter than 14 weeks: Full refunds are available for classes dropped within the *first two days* of the associated term (NOT the *class* start date).

A course dropped anytime after refund eligibility for that course ends will be processed as a withdrawal. No refund of tuition or fees will be made to a student who is withdrawn from a course by an instructor due to non-attendance or who is dismissed from the college for cause.

Please be aware that dropped classes or withdrawals can cause adjustments to any financial aid awards, resulting in a balance being due to the college for tuition.

Your work experience may equal credit.

Paying for Your Education

Community colleges charge the lowest tuition and fees of all higher education institutions. Mercer County Community College receives significant support from Mercer County and the State of New Jersey, but courses are not free. Students are required to pay for a portion of their education. To determine the cost of a course, consider tuition and college fees, special course fees, books and supplies.

Tuition and Fees

Tuition and college fees are calculated on a per-credit basis. The table on page 44 will help you determine how much you owe based upon the total number of credits you are taking and your residency. Besides regular tuition and college charges, some courses carry an additional fee.

Books and Supplies

Students must purchase their own course materials. The Mercer Bookstore (see page 41 for hours and locations, or order online at www.mcccshop.com) guarantees the availability of these for any course offered at MCCC. Acceptable methods of payment include cash, credit card, and financial aid (checks not accepted). Most textbooks can also be rented; please see website for details.

Payment of Course Costs

Tuition and fees are due by Friday, December 14, 2018 for all Spring semester students who have registered by that date. **After that date, payment is due when you register.** You can pay by cash, check, money order, VISA, MasterCard, American Express or Discover. Payment can be made in person, by mail or at www.mccc.edu if you use a credit card. Questions about your bill should be directed to the Bursar's office at bursar@mccc.edu.

Financial Aid

You will be considered for federal, state and MCCC financial aid if you complete the **Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov**.

Our financial aid staff can answer your questions and may be able to help you complete the forms. However, processing may take up to 60 days, so apply as early as possible — even before completing an application for admission.

Help is available at the Financial Aid Office on the second floor of the Student Center at the West Windsor Campus (609-570-3210) and the Student Services Office in room 218 at the James Kerney Campus (609-570-3180). E-mail finaid@mccc.edu or visit our web page at www.mccc.edu and click on Financial Aid FATV.

Unemployed?

Tuition may be waived for unemployed persons during **Late Registration only**. Consult your local unemployment office for benefit details. **Students are responsible for paying any applicable fees and for covering expenses for textbooks and other class materials.**

Senior Citizens

Mercer County residents who are 65 or older may enroll in courses without paying full tuition – but **paying all fees** – if seats are available in a class after paying students have registered. To take advantage of this opportunity, senior citizens must register in person at either the West Windsor or James Kerney campus and pay the applicable semester fees.
