Wayne State University offers and renews scholarships at its sole and absolute discretion; offers and renewals are contingent upon available funding and the continuation of the scholarship program. WSU students can receive only one Presidential Program scholarship. These include the University, Presidential, Gold, Green, Anthony Wayne and the WSU/DSO scholarships. Students who have completed a bachelor's degree are not eligible for Presidential Program scholarships. Changes to a student's financial, housing or academic situation may result in adjustments to awards.
