

ADVANCED IDENTIFYING FRAUDULENT IDENTITY DOCUMENTS

SPECIALIZING IN FAKE DRIVER LICENSE RECOGNITION!!!

BY **VASIL I.D. TRAINING LLC** hosted by

Mercer County Police Academy

This comprehensive, one-day "hands-on" **advanced** course is designed to assist law enforcement officers with the growing trend in the use of fraudulent identity documents. These authentic-looking "modern day" credentials that are available online have compromised nearly every security feature on their ID's making them virtually "**undetectable**" and **more sophisticated than "ID Chief"** counterfeits of a few years ago. This course will instruct law enforcement officers the proper ID protocol to detect/identify these fraudulent ID's. Officers will be able to handle genuine and counterfeit ID's side by side for comparison. Instruction will include methods to **detect counterfeit driver licenses from all 50 states** along with **social security cards, green cards, Passports (US & Foreign)** as well as **International Driving Permits, Canadian and Mexican documents**. Special instruction includes how to **detect altered documents (titles)**. Instruction will include appropriate 2C statutes.
