

MERCER COUNTY POLICE ACADEMY

WILL
BE HOSTING:

ISRAELI COUNTER-TERROR RESPONSE TACTICS Active Shooter Intervention, Dynamic Ambush Response Shooting, Secure Search

Course Description: This dry fire course will teach Law Enforcement Officers the necessary knowledge, skills, and tactics to effectively respond, dominate, and terminate a violent active threat. Specifically this course will cover Active Shooter Intervention, Dynamic Response Shooting, and Secure Search. This course is taught by Nir Maman who was responsible for training all the IDF Hostage Rescue units as well as all the U.S. SF units attending the IDF CTS for training before high risk deployments including the **Green Berets, Rangers,** and the **USMC FAST teams/MARSOC** and other elite covert units. Some of the topics covered include: dynamic response/instinctive shooting principles, differences between engaging a criminal and a terrorist, controlling and dominating a violent deadly force engagement, threat identification under stress, engaging an armed terrorist in a crowded environment, CT immediate rapid deployment tactics conducive to civilian populated locations such as schools, shopping malls, and airports, building and room entry, searching, clearing, and take-over tactics for one, two, three, and four officer response, active shooter response involving hostages. Also covered is warrant execution against a terrorist or high risk criminal using the specific Israeli Secure Search method used to locate, isolate, and extract a violent threat in a structure harboring an ambush.
