

The Instructional and Professional Improvement Committee (IPIIC) presents *Adjunct Series —Fall 2013*

Session Descriptions

Fall Semester Kick Off

A welcome event open to new and veteran adjuncts. Come and meet new colleagues, catch up with old ones, and start the semester off right!

Who Are My Students: The Face of Community Colleges

Learn about the unique nature of community colleges, including their evolution, student body, and current challenges.

And Your Student Did What? Strategies for Classroom Management

Classroom management is a challenge for even the most seasoned instructor. Discover strategies to maintain an orderly, but engaging class.

Being a Professor: Reflections & Preparations

Take some time to reflect on the closing semester while preparing for the next. Hear from your peers about ways to reflect and improve your craft.

The IPIIC is dedicated to supporting part-time faculty and facilitating collegial discourse in support of the teaching and learning process. We are delighted to announce a series of events designed especially for part-time faculty to support this mission. The events will provide professional support and development, but will also provide a forum for networking with colleagues. Please mark your calendar and join us for these special events.

Beverages and nibbles supplied.
