Unless you have walked **IN THEIR SHOES™** you would never know the overwhelming feeling of sadness, anxiety & hopelessness that cause hundreds of young people to end their lives.

The exhibit consists of 233 pairs of shoes to represent the New Jersey youth, ages 10 through 24, who lost all hope and ended their lives in the years between 2010 and

2012*. This exhibit helps to increase understanding, empathy and kindness towards those who might be struggling in silence and encourage them to seek help.
