

## Mercer County Community College Student Completion Pledge

**I commit** to planning for college completion.

**I commit** to discussing career planning with college instructors and staff.

**I commit** to seeking advisement on course selection to ensure timely college completion.

**I commit** to learning about and using college support networks and resources aiding college completion. *Please print clearly*

**I commit** to serving as a role model by attending classes, being prepared, participating in and engaging in discussions with instructors and students inside and outside of class.

**I commit** to reaching out to students in need by encouraging, nurturing and guiding them toward college completion.

**I commit** to helping at least one other student succeed.

[illegible]
