Writing Assignment #1

Research the impact of the recent Tax Reform Bill on businesses. Your findings and comments should be based on the facts of the Bill and not reflective of any political bias, one way or the other.

1. Summarize five provisions of the Bill that relate to businesses.

2. For three of the five provisions, what is the expected impact on the US economy?

3. If you were in total charge of the Tax Reform Bill, what single measure would you propose that would have the maximum impact on the US economy?
