Comprehensive 15% (Course Competencies A,B,C, D, E; General Education Goals 1, 2, 9; MCCC Core
Problem 3 A, B, C, F)

Quizzes/Class work 10% (Course Competencies A,B,C, D, E; General Education Goals 1, 2, 9; MCCC Core

*The instructor will announce during the first class meeting the number of tests and the chapters covered in each test.

**Guidelines for Success**

**Attendance**

Students are expected to attend all class meetings. In addition, students may be required to allow additional time to take tests in the Academic Testing Center.

**Tests**

Students are expected to take all tests at the time tests are scheduled. Unless there are verifiable extenuating circumstances, approved by the instructor, no students will be allowed to make-up any missed test. Any missed test will result in a zero grade.

**Quizzes, Homework, Projects**

Unannounced quizzes may be given during class time. NO MAKE-UP is allowed on a quiz. Out of class assignments must be completed and turned in on the date designated by the instructor. All projects must be typed. No handwritten assignments will be accepted.

**Withdrawals**

If a student decides to discontinue attending the course, it is the student's responsibility to follow through and officially withdraw from the course before the withdrawal date. Failure to do this may result in the student receiving an "F" grade for the course. Before withdrawing, discuss your concerns with your instructor.

**Classroom conduct**

It is students’ responsibility to attend all of their classes. If they miss a class meeting for any reason, students are responsible for all content that is covered, for announcements made in their absence, and for acquiring any materials that may have been distributed in class. It is expected that students be on time for all their classes. If students walk into a class after it has begun, it is expected that they choose a seat close to where they entered the room so that they do not disrupt the class meeting.

Students are expected to follow ordinary rules of courtesy during class sessions. Engaging in private, side conversations during class time is distracting to other students and to the instructor. It is not appropriate to leave class early without having informed the instructor ahead of time. Unless there is an emergency, leaving class and returning while the class is in session is not acceptable behavior. Please turn off cell phones and pagers while class is in session. Disruptive behavior of any type, including sharpening pencils during class while someone is speaking, is not appropriate.

The college welcomes all students into an environment that creates a sense of community, pride and respect; we are all here to work cooperatively and to learn together.
**Academic Integrity**

ACADEMIC INTEGRITY: Academic integrity refers to the total quality of the search for knowledge which a student undertakes. A student will be guilty of violating academic integrity if he/she:

A. knowingly represents the work of others as his/her own.
B. uses or obtains unauthorized assistance in the execution of an academic work.
C. gives fraudulent assistance to another student.

**Reasonable Accommodations for Students with Documented Disabilities**

Mercer County Community College is committed to supporting all students in their academic and co-curricular endeavors. Each semester, a significant number of students document disabilities, which may require learning, sight, hearing, manual, speech, or mobility accommodations to ensure access to academic and co-curricular activities. The college provides services and reasonable accommodations to all students who need and have a legal entitlement to such accommodations.
