

2024-2025 Academic Year

Mobile and Web Computing

Certificate of Proficiency

**Business, Technology, and
Professional Studies Division**

[609.570.3482](tel:609.570.3482) admiss@mccc.edu

The **Mobile and Web Computing** certificate program teaches the skills needed to enter the mobile and web computing fields and prepares students for entry-level positions such as computer programmer, mobile app developer, and web application developer.

PROGRAM OUTCOMES

- Analyze computer application requirements;
- Design, write, test, and debug mobile and web applications.

All courses in this program completed with a grade of C or better may be applied toward the [Information Technology A.A.S.](#), [Computer Information Systems A.S.](#), or [Computer Science A.S.](#) degree programs.

Admission requires a high school diploma or its equivalent. Prior programming experience is helpful, but not necessary. Some required courses may be offered only during the evening, and some may be offered only in alternate semesters. It is essential that students plan ahead in consultation with the program coordinator.
