### Why Attend the T-3:

The New Jersey Coalition for Financial Education (NJCFE), in conjunction with the New Jersey Credit Union League, and other partner organizations is pleased to announce our annual spring Conference, **Financial Literacy Programs and Curricula: Teachers Teaching Teachers (T3).**

### Who Should Attend:

This year's conference on assessing financial literacy knowledge and behavior is open to P/K – 12 teachers and adult educators who work with various populations. Teachers responsible for teaching the new High School graduation requirement of 2.5 credits in business, economic, financial and entrepreneurial literacy are also encouraged to attend.

**Participants will be awarded (4) Professional Development hours.**

### About the Conference:

T3 is designed to provide information and practical ideas that can work. This T3 Conference is a "Working Conference," facilitated by teachers and trainers. Following a plenary session, participants will be able to select a break-out session to help develop/refine assessment instruments that can be used in schools and other sites. Lunch is provided.
