## Article 9

### Professional Staff Work Week

- A. Professional Staff members are responsible for the completion of all tasks assigned to them and are evaluated accordingly. While the normal work week is 35 hours (40 hours for maintenance and security supervisors), it is recognized that Professional Staff members are required, depending upon individual time and circumstances, to perform services that are significantly beyond that which would normally be reasonably accomplished within the usual work week. In such situations, the President, upon recommendation and justification of the appropriate administrator, may authorize supplemental pay. The appropriate administrator may authorize the accrual and use of compensatory time.
- B. When Professional Staff members are required due to job responsibilities, by their appropriate supervisors to work beyond their normal workday or on weekends, compensatory time shall be accrued on an hour-for-hour basis. The use of accrued compensatory time must be approved by the appropriate supervisor.
1. A form for compensatory time will be filled out and signed by the appropriate supervisor before any Professional Staff member is required to work hours as outlined above.
  2. Accrued compensatory time shall be taken as soon as possible, but in no case shall compensatory time be taken later than 12 months from the time it was accrued. No more than 35 hours of compensatory time shall accrue at any given point unless the employee has been denied the opportunity to take such time. Compensatory time totaling no more than 32 hours per semester may be exchanged for payment.

- C. Professional Staff members who normally work a 35-hour workweek shall be allowed to adopt summer hours during the period June 1 through August 15. During this period, the workday shall be reduced by one (1) hour. During this period of time, college offices will remain open during regular business hours by staggering staff member schedules; for example, one staff member will be scheduled to work 9 a.m. through 4 p.m., while another is scheduled to work 10 a.m. through 5 p.m. The staggering of schedules during summer hours will not apply to departments who employ only one Professional Staff member.
- D. Within the context of a five-day work week and seven-hour work day, which equates to a thirty-five hour work week, Professional Staff members may, with the approval of the appropriate administrator, adopt flexible work hours.

- 2. **Aggrieved Person:** An "aggrieved person" is the person or persons or the Federation making the allegation.

3. **Working Day:** A working day is any weekday (Monday-Friday) of the year except for official college holidays.

C. **Time Limits**

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. Any grievance not advanced to the next step by the Professional Staff member or their representative within the time for the step, shall be deemed abandoned. Additionally, failure by the Board to meet the agreed upon time limits shall allow the grievance to automatically proceed to the next step.

**Steps**

1. A Professional Staff member with a grievance shall first discuss it with his/her immediate supervisor or Administrator, as appropriate, either directly or through the Federation's designated representative, with the objective of resolving the matter informally.

2. Level One - Administrator or their Representative

a. If the grievance is not resolved at the informal step, the Professional Staff member or his/her representative may, within 30 working days from the date on which the action which is the subject of the grievance took place, or the date when the individual Professional Staff member should have known of its occurrence, submit a written statement of the grievance to the appropriate administrator. This statement of grievance must specify the ground or grounds for the grievance and the remedy requested.

If during the processing of the grievance, at Level One, the grievant discovers further violation, misinterpretations, or misapplications of this contract, which directly relate to the grievance, these may be incorporated through an amended statement of grievance. The administrator or his/her representative shall conduct a hearing within ten (10) working days from receipt of the statement of grievance. The administrator or his/her representative shall respond with a written decision within ten (10) working days of such hearings.

3. Level Two - President or a Representative

a. If the grievance is not resolved at Level One, the Professional Staff member or a representative may file the grievance with the President providing he/she or his/her representative does so within ten (10) working days of receipt of the decision at Step one.

b. The President or a representative shall conduct a hearing within ten (10) working days of the receipt of the grievance. The President or the representative shall respond in writing to the grievant or his/her representative within ten (10) working days of such hearing.

c. Level Two is the final step to which a grievance concerning reappointment, tenure or promotion, or any grievance unrelated to this Agreement may be advanced.

b. Within ten (10) working days after such written notice of submission of arbitration, the Board and the Federation shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

c. Decisions of the Arbitrator with respect to grievances based on alleged misapplications, misinterpretations, or violations of contract provisions dealing with professional responsibilities and work assignments shall be advisory.

d. Decisions of the Arbitrator with respect to all other grievances (exclusive of D-3c and D-4c above) shall be binding.

The Arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted.

2. The Arbitrator shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement. The Arbitrator shall be without power or authority to make any decision which requires the commission of any act which is in violation of law. Further, the Arbitrator's powers are limited to deciding whether violations, misapplications or misinterpretations of specific articles of this agreement have occurred.

3. The Arbitrator shall have no power to consider or to rule on any grievance which relates to a matter or matters concerning reappointment, tenure or promotion. These grievances shall not be advanced beyond Level Two in this procedure.

4. The costs for the services of the Arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Federation. An aggrieved person may withdraw the grievance at any level.
