

HRIM Mentor

The DREAM Program, MCCC's initiative to provide opportunities for students with intellectual /development disabilities to participate in inclusive MCCC classes, is now hiring peer mentors to support our students. This part-time position, located on MCCC's West Windsor campus, involves supporting students in class with notetaking and other activities, providing homework help, enhancing study skills, and facilitating transition to college life.

Specifically, we are looking for HRIM students to provide mentor support in the following classes:

14 week classes:

HOS101 Wednesdays 12:20 PM-5:00 PM

HOS 109 Tuesdays 9:00 AM-1:30 PM

10 week class (Starts October 10):

HOS185 Mondays 9:00 AM-2:00PM

We provide paid training and ongoing supervision/support to our mentors throughout the semester. The hourly salary is \$13/hour.

Mentoring is a great way to develop leadership skills, broaden experiences, and add a meaningful work experience to your résumé.
