

Repeating other nursing courses

Any student who fails two (2) nursing courses, either the same nursing course twice or two different nursing courses, in the professional curriculum will be permanently dismissed from the nursing program.

Readmission to a nursing course is not guaranteed. Please see the Readmission Policy in the appendix for the process to follow for readmission.

All courses within the nursing program must be completed within six (6) semesters of beginning Nursing I. Please see the Readmission of Students Beyond Six Semesters Policy in the appendix for the process to seek readmission beyond the six (6) semesters with extenuating circumstances.
