

Nursing Workshops Summer 2019

These programs are being offered to Mercer County Community College students who have completed one or more of the professional phase nursing courses. **ALL PROGRAMS ARE FREE.** For more information or to register for a session, contact the nursing office at 609-570-3391 or nursing@mccc.edu

Assessment Workshop

Join Professor Lee and Professor Scaletti in small group workshops using high fidelity simulation designed to reinforce health assessment techniques. Session repeats – students should plan on attending one session only.

Registration required.
