Policy: Nursing Student Program Requirements

Procedure:

All nursing students will be held accountable to the program requirements outlined in the Nursing Program Handbook distributed to them at the time of initial acceptance into the professional phase of the nursing program. This policy is applicable to students who began the professional phase of the nursing program beginning with the fall 2009 semester.

Effective Date: June 1, 2011

Revised Date:

Approved by:

A handwritten signature in black ink that reads "Linda A. Martin". The signature is written in a cursive style with a large, looping initial "L".
