NURSING 202 SPRING 2008 CLINICAL ROTATION SCHEDULE REVISED 1/10/08

KEY:

PSYCH: Students have an experience at Princeton House, part of Princeton Medical Center

PEDS: Pediatrics is held on the pediatric floor of Capital Health System at Mercer. Students will have 3 days of pediatric hospital experience

SCHOOL NURSE: Students will buddy with a school nurse assigned to a specific school part of the Hamilton School District. Specific school assignment will be received during pediatric experience.

DAY CARE: Students will go to the Lakeview Day Care at Hamilton for half of the day at which a teaching plan will be presented to preschool children. The other half of the day students will attend the Mercer Elementary School for Handicapped Children. Objectives and directions are on the web site and will be handed out during orientation.

ORIENTATION: each of the med-surg experiences will have a full day of orientation which may or may not include a computer orientation

D: Deborah Heart and Lung Hospital. Students will observe in the MICU and SICU splitting time between the two units attending during a regular clinical day

C: Community Nurse experience at the VNA of Trenton. Students buddy with a nurse visiting clients in their home for a full clinical day

TL: In the med surg experience students act as a nurse manager for your student group

M: Students have a medication experience learning how to manage IV's and IV medications

FACULTY:

SUE MINKEL: COORDINATOR OF COURSE

Clinical Instructor at CHS @Fuld on AMU (Telemetry Unit)

Clinical Instructor at UMCP J7

Karen Ruffin:

Clinical Instructor at Deborah for M/W group and Th/F group

Doreen Carnvale:

Pediatric Instructor

Clara Douglas:

Psych clinical Instructor at Princeton House and course lecture instructor for psych material
