

Mercer County Community College
Division of Math, Science and Health Professions
Nursing Program

Policy: Student Action Plan

Purpose: To ensure consistency in clinical evaluation of students with previous action plans.

Procedure:

1. Action plans remain in effect until completion of the nursing program. If the behaviors are observed in any part of any subsequent nursing course, the student may be dismissed from the program without further warning.
2. When a student is placed on an action plan, an “Student Action Plan Conference Form” must be completed by the Course Coordinator.
3. The original form, signed by the student and Course Coordinator, must be forwarded to the Nursing Office to be placed in the student’s file.
4. Course Coordinators will receive a list of any student on an action plan at the beginning of each semester from the Nursing Office.
5. Course Coordinator will arrange to meet with any students on an action plan at the start of each semester.

Effective Date: May 1, 2010

New Effective Date: August 2016

Revised Date: March 9, 2016
