Nursing Program

Reinstatement for Students Unsuccessful in Fall 2018

- Submit email notification of intent to return to the nursing office (nursing@mccc.edu) no later than Wednesday, January 3rd, 2019. This notification must clearly state which class and which semester you are requesting reinstatement into. Students may request reinstatement for the Spring 2019 or Fall 2019 semester. ***Reinstatement into the requested semester is not guaranteed.*** Students will be placed on a space available basis.
- Schedule a meeting with your nursing faculty advisor or Director Mizerek to review the reinstatement policy. Meetings with Director Mizerek may be scheduled with Laura by calling 609-570-3391. Nursing faculty advisors are unavailable from December 21st – January 15th.
- Complete all the HESI remediation for all previously taken HESI exams. This includes exams from prior semesters.
- Attend a two hour success workshop held by the nursing program. Registration is required. Contact the nursing office to register at nursing@mccc.edu.
 - Friday, December 14th at 10am
 - Thursday, January 3rd at 10am
 - Saturday, January 5th at 10am
 - Tuesday, January 8th at 6pm
- Write a personal success plan.
 - The first part of the success plan should identify what factors contributed to hindering your success, e.g. working 60 hours per week, inadequate study time, etc.
 - The second part of the success plan should include **specific** changes you will make to be more successful next semester. For example, do not write “I will study more” as a success strategy. Instead, write “I will dedicate Mondays and Thursdays from 1pm to 4pm for studying. On Mondays, I will read for theory class on Tuesday. On Thursdays, I will review my notes from theory class and complete the MyNursingLab work.”
 - The success plan should include at least five concrete actions you will take to be more successful in the next semester. It may be composed as a narrative or bullet point list.
 - Our health profession success coach is available to assist with the development of the success plan. Coach Killian may be contacted via email at kiliann@mccc.edu or by calling 609-570-3393.
- Meet with your nursing faculty advisor or Director Mizerek to complete the reinstatement process. This must be accomplished by Friday, January 11th, 2019. Please note the nursing office will be closed from December 21st, 2018– January 1st, 2019.
