Nursing Program

Reinstatement Information for Students - Spring 2018

- Submit email notification of intent to return to the nursing office (nursing@mccc.edu). This notification must clearly state which class and which semester you are requesting reinstatement into. Students may request reinstatement in Fall 2018 or Spring 2019. ***Reinstatement into the requested course is not guaranteed.*** Students will be placed on a space available basis.
- Schedule a meeting with your nursing faculty advisor or Director Mizerek to review the reinstatement policy. Meetings with Director Mizerek may be scheduled by calling the nursing office at 609-570-3391. Nursing faculty advisors may be unavailable after May 17th, 2018.
- Complete HESI remediation for any HESI exam for which you did not achieve the benchmark. This includes exams from prior semesters.
- Attend a two hour success workshop held by the nursing program. Registration is required. Contact the nursing office to register at nursing@mccc.edu or 609-570-3391.
 - Saturday, May 19th, 2018 from 9a-11a
 - Tuesday, May 22nd, 2018 from 10am-12pm
 - Thursday, May 24th, 2018 from 2pm-4pm
 - Wednesday, June 6th, 2018 from 6pm-8pm
- Write a personal success plan (think of it as writing a nursing care plan for yourself!)
 - The first part of the success plan should identify what factors contributed to hindering your success, e.g. working 60 hours per week, inadequate study time, etc.
 - The second part of the success plan should include **specific** changes you will make to be more successful next semester. For example, do not write "I will study more" as a success strategy. Instead, write "I will dedicate Mondays and Thursdays from 1pm to 4pm for studying. On Mondays, I will read for theory class on Tuesday. On Thursdays, I will review my notes from theory class and complete the assigned case study."
 - The success plan should include at least five concrete actions you will take to be more successful in the next semester. It may be composed as a narrative or bullet point list.
 - Our health profession success coach is available to assist with the development of the success plan. Nichol Killian may be contacted via email at kiliann@mccc.edu or by calling 609-570-3393.
- Meet with your nursing faculty advisor or Director Mizerek to complete the reinstatement process.
- Submit completed application for reinstatement to the nursing office by **Friday, June 15th, 2018.**

Failure to submit completed application by the deadline prevents your return in Fall 2018.
