PRESS RELEASE

Woman's Club of Cranbury Scholarship for Women Deadline April 30, 2016

The Woman's Club of Cranbury is again offering a Woman's Scholarship for a woman returning to school and pursuing postsecondary education. The deadline for applying is April 30, 2016. The commitment to further education for a woman who is pursuing post-secondary education after having experienced a time away from attending school fulfills the mission of The Woman's Club of Cranbury by making a difference in the lives of women and helping them to increase their opportunities to grow and support themselves and their families. This award is based on financial need as well as the applicant being able to define her goal in seeking further education. We are looking forward to having applicants that will value our Club's commitment to further education. The application for this scholarship is found on the Cranbury Woman's Club web site; www.womansclubofcranbury.org

The completed application should be mailed by April 30, 2016 to The Woman's Club of Cranbury, Attn: Woman's Scholarship Committee, P.O. Box. If you need further information, call 609-395-0314.
