DIVISION OF MATH, SCIENCE AND HEALTH PROFESSIONS
NURSING EDUCATION PROGRAM

OPEN SKILLS LAB

Open labs will be offered every Friday from 1:00 pm to 4:00 pm in MS334.

Any student can attend open lab times to practice skills. It is suggested that you contact Judy Reid at reidj@mccc.edu prior to attending open lab to let her know when you will be attending and what skills you wish to practice. This is not required.

Students who have received a Clinical Skills Remediation Referral form must contact Judy Reid at reidj@mccc.edu to schedule an appointment.
