DIVISION OF MATH, SCIENCE AND HEALTH PROFESSIONS
NURSING EDUCATION DEPARTMENT

PETITION DEADLINE FOR SPRING 2015 – EXTENSION

All Health Science Nursing Majors,

The petition deadline for the spring 2015 evening nursing program has been extended to October 31, 2014. Students must meet all pre-requisite requirements of the program:

- All college level pre-requisite courses completed or in progress
- Completion of, or in progress with, NRS101 and NRS102
- Attendance at a mandatory information session
- Completion of the HESI Admission Exam with an 80% or higher (*any student who has not met this requirement may register for the exam, on a space available basis, for October 31, 2014. Follow the directions for registration on the nursing website under the HESI Information link*)
- GPA of 2.5 or higher

Petition forms are available on the nursing website or outside the nursing office (MS127).

If you have any questions, please contact the nursing office at 609-570-3391 or via email at nursing@mccc.edu.
