

FRATERNITIES AND SORORITIES ON CAMPUS

Social and service student organizations shall be sanctioned by Mercer County Community College when such organizations subscribe to the fundamental principle of non-discriminatory open membership. Such sanctioned organizations will not be affiliated either directly or indirectly with any national organization, except in the case of recognized national service and/or scholastic societies. The College will not sponsor, sanction or recognize any group living arrangements or accommodations. These sanctioned organizations may serve as the nucleus for social activities at the College, and as such will be eligible to receive support from student activities funds and to use College facilities.
