## Catalog Description:
Course combines work in a funeral home setting and discussion of funeral service topics. Successful completion of Funeral Service Field Experience is necessary in order to graduate. Students are expected to work 16-20 hours /week in a funeral home and submit monthly reports summarizing the work plus detailed case reports. Job placement is students’ responsibility, but must be approved by the Director of Funeral Service Programs. Students will be registered with the appropriate state licensing agency. Weekly seminar topics include death certificates, permits, and compliance with vital statistic requirements, Social Security & VA paperwork, casket construction, cremation, government compliance and other current issues. Computer applications for funeral service will be introduced. Guest speakers and field trips will be utilized as available.

### Co-requisite
Approval of Director of Funeral Service Programs

Students are expected to attend all weekly seminar sessions and submit documentation in a timely fashion. Seminar topics focus on current issues in funeral service, government compliance and completion of paperwork and documents particular to funeral service.

Work in the funeral home is a primary aspect of the course. To receive credit for the course a college assigned Field Supervisor must visit the funeral home and observe the student participating in embalming. Registration with the state licensing agency is required. Seminar sessions will include discussion of work experiences.
